DERMAPLANING

Dermaplaning / Microblading is a safe procedure, our therapists have been specially trained in this treatment. It's a controlled exfoliation, removing dead skin cells from your face/neck area, while also temporarily removing fine vellus hair (peach fuzz) from the face. Using all disposable blades and a delicate touch, we simply abrade the surface of the skin using light feathering strokes ridding the top dead skin cell layer and hair, giving a brighter, radiant, youthful looking complexion.

There is no pain or downtime with Dermaplaning and results are immediate.

Dermaplaning / Microblading Treatment 45 minutes \$100

Add-on to any facial treatment 30 minutes \$70

MELANO OUT PIGMENTATION TREATMENT

The Melano Out System is a professional treatment for pigmentation problems. Its products treat, the epidermis and help regulate melanic disorders. Used locally, it reduces the number of spots on different parts of the body.

The Professional treatment has also been designed to revive the health of the skin and restore its firmness. Target areas are Face, Neck, Cleavage, Hands. Thanks to a professional treatment the hyperpigmentation problem can be easily solved. The formula reduces or erases all skin discolorations. At the same time, the product regenerates the skin and smooths it for a radiant and healthy result. 1 - 2 treatments per year.
